

# **TRIP IN SAILBOAT TO THAILAND 2018**

## **INTRODUCTION**

---

Welcome everyone to the sailing trip to Thailand 2018!

A 9-day trip in which we sail on the coasts and islands of the Andaman Sea. We will leave from Phuket to start the route of the islands. that stand out for their solitary and paradisiacal beaches. It is also ideal for diving and seeing the exuberant marine fauna.

## **DATES OF THE TRIP**

---

From the 11th to the 19th of December 2018.

# ROUTE AND LOGISTIC

*\*The itineraries may vary depending on the meteorologic conditions.*

## Day 1

We will sail at noon of the port that is located in the North of Phuket Island. We will go to Ko Yao Yai Island. There we will spend the night anchored in front of a beautiful beach.

## Day 2

The second day we will go to Ko Phi Phi Lee to sleep in Maya Bay (well known for the movie "The Beach"). On the way, we will visit other beaches of this paradisiac island.

## Day 3

The next day we will go to Koh Lanta Yai known for its long beaches. We will spend the night next to the National Park "Mu Ko Lanta Park".

## Day 4

On the fourth day we will head towards Ko Muk passing through other small charming islands like Ko Ngai. Once at the destination, we will make an excursion swimming through a cave to reach one of the most spectacular beaches in Thailand.

## Day 5

On the fourth day we will head towards Ko Muk passing through other small charming islands like Ko Ngai. Once at the destination, we will make an excursion through a cave to reach one of the most spectacular beaches in Thailand.

## Day 6

We will sail towards Phi Phi Islands where we will sleep in the Beach of the Monkeys. We will have the opportunity to visit the town and enjoy the nightlife.

## Day 7

In the morning we will head towards the Province of Krabi but on the way we will anchor in Ko Poda and Ko Po Da Nok, which sink only at high tide. We will spend the night at Ko Rang Nok Island, a magic corner full of caves and beautiful beaches.

## Day 8

We will visit Ko Hong and its beautiful and spectacular interior lagoon. Later, we will sail to James Bond beach, and sleep in Hong Island to say goodbye on the last day.

## Day 9

After having breakfast on the boat and enjoying our last bath in the sea, we will head towards the Port of Phuket to end our expected trip.

---

Spectacular 15-meter sailboat that has all the necessary amenities. It has a maximum capacity of 12 people distributed in 5 cabins plus two seats in the lounge. It is equipped with auxiliary pneumatic boat and outboard motor. Also with outdoor awnings and barbecue.

## INFORMATION OF THE SKIPPER

---

I started surfing with 5 years and I competed in light sailing until 18. Then, I worked for many years as an instructor in schools of candle and later I acquired a lot of experience sailing in bigger sailboats. Each year I do 4 or 5 trips in sailboat all over the world.

I have traveled previously in these Thai islands and I know this sea and its corners well.
