

TRIP IN CATAMARAN TO CUBA FEBRUARY 2019

INTRODUCTION

Welcome everyone to the sailing trip to Cuba 2019!

Perfect trip to relax, disconnect and enjoy the beautiful pristine beaches with transparent waters and white sand. 8 nights by boat to discover the charming corners of the Islands found in southern Cuba.

Also, you do not have to worry about the food; you can enjoy the local food prepared by a chef.

Do not miss the opportunity and join the trip!

TRIP DATES

From 1 to 09 of February of 2019.

ROUTE AND LOGISTICS

After arriving in *Havana*, on February 1 we will go to **Cienfuegos** (Ítacadventure will organize a transfer and accommodation for anyone who wants) where we will make the welcome dinner.

On February 2 in the morning we will buy the supplies and in the afternoon we will distribute the cabins and the skipper will explain the life on board and the details of the trip. As soon as we have everything ready, we will begin the long-awaited trip to the beautiful islands of southern Cuba.

We will spend the night on board until arriving in the morning to the small islands known as **Cayo Guano del Este** and **Cayo Inglés**. Perfect to enjoy different water activities.

The fourth day we will go to **Cayo Cantiles** where we will spend all day. On the fifth day, we will pass through the **Cayo Cantiles and Ciprey South**, where we will contemplate its great reefs and its abundant marine fauna. We will sleep in **Cayo Rosario**.

On the sixth day we will head to **Cayo Campo** until arriving to **Cayo Largo**, where we will spend the night.

On the seventh day we will leave the Cayos area to head to the main island of Cuba. We will spend the day at **Playa Girón**, a small beach located in the Bay of Pigs.

The last day we will head to **Cienfuegos** to arrive in the afternoon and end the trip with a good farewell dinner. We will spend our last night on board.

** The itineraries may vary according to weather conditions.*
